

Summer Internship 2017: Secondary Teacher/Program Coordinator

Youth Life Foundation of Richmond is seeking interns willing to serve middle and high school aged youth in Richmond's Northside this summer by providing a safe, community-based environment to develop their skills and character while building positive relationships.

***Dates and hours are approximate and subject to change.*

Dates: June 19-23, orientation and training
June 26-August 4, program

Hours: Training week hours vary
Monday-Wednesday, Middle/High School Enrichment Program, 11:00am-7:00pm
Thursday, flexible hours for planning
Friday, hours vary for trips and incentives

Job Description: Interns will plan, coordinate and/or implement the following
Academic enrichment
Sports and recreation
Leadership and team development
Elective courses
Service project opportunities

Interns will work with middle and high school students leading lessons and activities. Additional duties include assisting with transportation, snacks, daily devotionals, upkeep of facilities, field trips, etc.

Funding: The internship is unpaid, but there are a few avenues for receiving financial support.

- Participants are encouraged to raise their own financial support if desired. Training will be available for those interested in pursuing this option.
- Many colleges and universities offer grant money or course credit for unpaid interns. Contact your school for more information about these opportunities.

Benefits: work experience, letters of recommendation (assuming a positive experience)

Contact: mentor@ylfr.org
