

Summer Internship 2020: Secondary Teacher/Program Coordinator

Youth Life Foundation of Richmond is seeking interns willing to serve middle and high school aged youth in Richmond's Northside this summer by providing a safe, community-based environment to develop their skills and character while building positive relationships.

***Dates and hours are approximate and subject to change.*

Dates: June 15-19, orientation and training
June 22-July 24, program (*can be extended through July 31 if interested)

Hours: vary

Job Description: Interns may plan, coordinate and/or implement the following:

- Workplace and college visits
- Academic enrichment
- Leadership and team development
- Elective courses
- Service project opportunities
- Field trips and incentives

Interns will work with middle and high school students leading lessons and activities. Additional duties include assisting with transportation, snacks, daily devotionals, upkeep of facilities, field trips, etc.

Funding:

- Many colleges and universities offer grant money or course credit for unpaid interns. Contact your school for more information about these opportunities. (UR summer fellowship opportunities: <https://ursf.richmond.edu/programs/index.html>)
- YLFR has a limited amount of funds available for stipends to support summer interns. The total amount varies based on fundraising each year.
- Participants are encouraged to raise their own financial support if desired. Training will be available for those interested in pursuing this option.

Benefits: Work experience, letters of recommendation (assuming a positive experience)
