

## **Summer Internship 2021: Elementary Teacher/Program Coordinator**

Youth Life Foundation of Richmond is seeking interns willing to serve elementary aged youth in Richmond's Northside & Southside this summer by providing a safe, community-based environment to develop their skills and character while building positive relationships.

*\*\*Dates and activities are subject to change.*

Dates: July 6-9, orientation & training  
July 12-August 6, summer program

Job Description: Interns will plan, coordinate and/or implement the following  
Reading/Language Arts small group  
Math small group  
Elective courses

Interns will work with small groups of elementary students, preparing and leading lessons and activities. Additional duties include assisting with transportation, snacks, daily devotionals, upkeep of facilities, field trips, etc.

Funding:

- Many colleges and universities offer grant money or course credit for unpaid interns. Contact your school for more information about these opportunities. (UR summer fellowship opportunities: <https://ursf.richmond.edu/programs/index.html>)
- YLFR has a limited amount of funds available for stipends to support summer interns. The total amount varies based on fundraising each year.
- Participants are encouraged to raise their own financial support if desired. Training will be available for those interested in pursuing this option.

Benefits: work experience, letters of recommendation (assuming a positive experience)
