

Summer Internship 2022: Elementary Teacher/Program Assistant

Youth Life Foundation of Richmond is seeking interns willing to serve elementary aged youth in Richmond's Northside & Southside this summer by providing a safe, community-based environment to develop their skills and character while building positive relationships.

***Dates and activities are subject to change.*

Dates: June 21-24, orientation & training
June 27 -August 5, summer program

Job Description: Interns will plan, coordinate and/or implement the following
Reading/Language Arts small group
Math small group
Elective courses

Interns will work with small groups of elementary students, preparing and leading lessons and activities. Additional duties include assisting with transportation, snacks, daily devotionals, upkeep of facilities, field trips, etc.

Funding:

- Many colleges and universities offer grant money or course credit for unpaid interns. Contact your school for more information about these opportunities. (UR summer fellowship opportunities: <https://ursf.richmond.edu/programs/index.html>)
- YLFR has a limited amount of funds available for stipends to support summer interns. The total amount varies based on fundraising each year.
- Participants are encouraged to raise their own financial support if desired. Training will be available for those interested in pursuing this option.

Benefits: work experience, letters of recommendation (assuming a positive experience)
